EMERGENCY EQUIPMENT LOCATIONS

The diagram illustrates the layout of an aircraft cabin with various emergency equipment locations marked by icons and labels:

- Oxygen Masks:** Located above each row of seats.
- Fire Extinguishers:** Located near the front and rear exits.
- First Aid Kits:** Located near the front exit.
- Life Rafts:** Located outside the aircraft, indicated by a red dashed line labeled "Liferafts".
- Exits:** Labeled "EXIT" at the front and "Emergency EXIT" at the rear.
- Emergency Equipment Locations:** Indicated by a green dashed line running through the center of the cabin.
